- **Testing & Tagging of All Electrical Cables & Equipment:** Please ensure that all testing and tagging of any electrical cables and/or equipment is visible and has been passed by a qualified electrician. If any faults occur within a venue as a result of your equipment not being tagged or passed, the cost of the call out fee for an electrician to rectify the fault will be charged to your school. Some venues may not allow a performance without the correct tagging.
- **Passing On Information:** If you are a PAF Coordinator at your school, it is very important that this information is passed on to teachers, tutors, accompanists concerned. Advertising the Festival in your newsletter is a great way to inform parents, specifically for students who are tutored outside of school. It is important that you have familiarised yourself with the Rules of the Festival for this section.

Parents and friends are very welcome to attend. Please advertise this event within your school community.
